We are still having potluck Issues. Some alternatives considered are:

1. Assignment by members
2. Everyone bring their own utensils and clean up afterwards
3. Bring your own potluck and goods can clean up afterwards. Club will supply the trash bags.

After some discussion, it was decided that we should bring our potluck contributions as usual. In addition, we should bring an appropriated serving utensil for our contribution, our personal eating dish, flatware items or chopsticks, and napkins. The Club will supply trash bags. In addition, George Kelsey volunteered to manage potluck cart for January and March 2018.

Two designs were shown for the EOH Shirt Design. It was decided that anyone could submit a design, which will be due before the January 2018 meeting. Designs will be displayed and the membership will vote on the final design at the January meeting.

Terry Takaki showed a tripod and case, which is on sale at Pro Camera Hawaii for \$99.99. He will be the EOH guest speaker for the February 2018 meeting and will be showing the Sirui Product line.
